Black Mountain Golf Club reserves the right to book large events in place of the weekly Girl's Night. In this situation, Girl's Night will be moved to a different night of the week, most likely Thursday. We will provide you with the yearly schedule at the Opening Wine & Cheese Party. "Rain Checks" will not be provided when the date is switched from Wednesday to another day of the week. We do not anticipate this occurring in 2019

Girl's Night's will only be cancelled if the course is **closed** due to extreme weather conditions, and only in this case will Rain Checks be offered. The dinner will always be available to Girls Night Members on each Girls Night, and depending on numbers, you may be offered a Voucher for the Grill in the amount of \$25 in lieu of the buffet dinner and glass of wine.
